BRIEF ABSTRACT OF LETTER.

Kashmir Maharaja's Palace,
Gulmarg (Kashmir).

4th August 1918.

My dear Sir

I am sorry to have to trouble you about a matter concerning myself.

As you know a monthly rent of Rs. 60/- was fixed for the Govt. Bungalow in my occupation at Mysore. The Electric Deptt. sent me a bill after some months on account of the depreciation charges on the Electric Installation in the building calculated at Rs. 12-22 per mensem from the date I occupied it. These charges I have accordingly been paying and now it has suddenly struck the Water Works Deptt. to send me a bill amounting to Rs. 217-12-0 for the excess water consumed in the building from the 15th March 1918 till end of March 1918, chiefly in maintaining the garden belonging to Govt. This would mean my having to pay Rs. 81 and odd per mensem, which is Rs. 21 and odd more than I thought I should have to pay when I got into the house. I was then under the impression that I should not have to pay more than the rent fixed for the building namely Rs. 60/- per month and I am not sure if this was not your impression too. I am sorry it did not strike me at the time to get these points cleared. It is a large sum for me to pay, considering the fact that I stay in Mysore for hardly six months in the year. The fact that I have to maintain a house and establishment at Bangalore also. For these reasons, I should be grateful if you could see your way to excusing me from payment of one of the two charges referred to above and not insist on my paying both.

Sir M. Visvesvaraya, K.C.I.E.,

Dewan of Mysore,
Bangalore.

Yours sincerely

My dear Sir,

Order No. 2066/P.W.

10th November 1915, the building known as the "Deputy Commissioner's quarters" at Mysore, has been placed at the disposal of Mr. Mirza M. Ismail, Huzur Secretary to His Highness the Maharaja, and under His Highness' orders, the rent to be paid by that officer for the bungalow has been fixed at Rs. 60 per mensem. The question has arisen (*vide* Mr. Mirza's letter dated the 4th August) whether this amount should be regarded as including (1) charges on account of excess consumption of water and (2) the depreciation charges on the capital cost of the electric installation for the building. If both the charges are to be paid by the occupant, the actual excess over the rent fixed for the building will ~~be~~ ^{come to} be between Rs. 20 and Rs. 25. Mr. Mirza is paying the second of the two charges which amounts to Rs. 12-2-2 per mensem. If the total rent for the building including both the charges is regarded as too high, one of the two items may be excused, preferably the depreciation charges on the capital cost on account of electric connection. *As stated in his letter* ~~There is force in Mr. Mirza's~~ ~~contention that he has to maintain an~~ establishment in Bangalore also and hardly stays for six months in the year in Mysore, ^{and} *some special consideration seems due*

I shall be obliged if you will kindly submit the papers and communicate

to me His Highness' pleasure in the matter.

Yours sincerely,

h v
